The fee of \$180.00 set forth in § 1.17(p) is included herein; and
Applicant submits that each item of information contained in this IDS was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this IDS.
A search report or other listing of documents from a counterpart, related, or other application dated and having documents cited thereon is attached for the Examiner's consideration. Any of these documents not previously cited, and any additional documents are listed on the PTO Form 1449.
Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form. As for any document listed on the accompanying PTO-1449 that is in a language other than English, relevance can be understood from an enclosed English abstract or at least partial translation or from mention in the specification or in a search report for a corresponding application. This submission does not represent that a search has been made or that no better art exist and does not constitute an admission that any of the listed documents are material or constitute "prior art." If it should be determined that any of the listed documents do not constitute "prior
art" under United States law, Applicant reserve the right to present to the Office the relevant fac and law regarding the appropriate status of such documents.
Applicant further reserves the right to take appropriate action to establish the patentabilit of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.
Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this

Application, including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required and

including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0573. This paragraph is intended to be a CONSTRUCTIVE PETITION FOR EXTENSION OF TIME in accordance with 37 C.F.R. § 1.136(a)(3).

DRINKER, BIDDLÈ & REATH LLP

Respectfully submitted,

Registration No. #4
